At 12.9 km long, the highest point on the Confederation Bridge is 60 metres! That would fit 80 basketballs stacked on top of each other! Imagine trying to balance that on one finger!

Upload a picture of your colouring creation to your Facebook, Twitter or Instagram page and be sure to tag @PEICreditUnions with the hashtag #MyYuMobAdventure to be entered into our weekly draw for a \$25 Dairy Bar Prize. Only those 14 years of age or younger are eligible to win.

Not on social media? No problem! You can submit your image by emailing [info@creditunionspei.com](mailto:info@creditunionspei.com) with the subject line "My YuMob Adventure Colouring Submission".
